**We are
TEAMS Training
we bring players
together to be the best
they can be both on
and off the ice!**

“[My son] never wanted to come off the ice! Your approach was developmentally congruent with the kids, and all of them

I think had fun learning! From a father (who is a child psychologist), hoops coach, and former student/athlete (BC football) and prof. athlete, you folks did an incredible job and he was blessed to have the opportunity to learn from you and your staff! He'll see ya next year as a squirt!”

“I won't embarrass you with more effusive thanks but thank you. You guys have made Catherine love hockey, which is more important than all the improvement she has made skating”
